Since the launch of "Front-U" initiative the collection of donations was arranged via volunteer's account of Oleksandr Chalenko.

After Charity Foundation "Front-U" was registered as legal entity and it's accounts were opened with the bank it has become the sole recipient of incoming proceeds via all channels instead of volunteer's account of Oleksandr Chalenko.

After making payments for already agreed equipment, the remaining part of funds was transferred to the current account of Charity Foundation "Front-U".

No collection of donation has been done via volunteer's account of Oleksandr Chalenko since then.
